Presentation

I have worked with systems development for over twenty years and I am dedicating myself to my college degree, with completion in December 2023, in Higher Education in Database Technology.

I worked with critical systems with a large processing volume such as Payroll, Human Resources and Electronic Point, Stock Replenishment, Commissions, among others, structuring and implementing legal and commercial requirements.

I was responsible for the complete development of a Payroll and Human Resources system aimed at different databases. I did data migrations, changing financial and accounting plans, monitoring development in the ANSI standard for databases, SQL refactoring (DQL), reports, charts and indicators.

I recently worked in Full-Stack development using Java/JPA/JSP/PostgreSQL.

I have experience working remotely for over 16 years.

Thank you for taking the time to read this presentation and I remain at your disposal for future contacts.

Schooling - Major in Database Technology

- Fatec São José dos Campos - Prof. Jessem Vidal - Data Science (Missing TG planned for Dec/2023)
- Electrical Engineering at Univap (Incomplete - 1990)

Certificates

[*See in my repository.*](#)

- | | | |
|---|---------------------------------|---------------------------------|
| ✓ Oracle - Database Programming with SQL 2019 Study Certificate | ✓ MongoDB Basics | ✓ Python |
| ✓ Oracle - Certificate of Learning | ✓ MongoDB for Python Developers | ✓ HTML5/CSS3 |
| | ✓ Java - Basic and Intermediate | ✓ LinkedIn Transact-SQL seal |
| | | ✓ Microsoft Excel LinkedIn seal |

Experience

- **Developer** (Fotosensores Tecnologia Eletrônica Ltda) 01/2022 to 10/2022

I worked in development Full-Stack REST/API, maintenance, Git versioning, level 3 support and documentation. Working with clients such as public agency (city halls).

- | | | |
|---------------------------|---------------------------|-----------------------------|
| ✓ Java | ✓ DML | ✓ Ajax |
| ✓ JasperReports (iReport) | ✓ DQL | ✓ Tomcat |
| ✓ VRaptor | ✓ pgAdmin | ✓ Docker |
| ✓ JPA | ✓ Java Server Pages (JSP) | ✓ Linux Fedora |
| ✓ Hibernate | ✓ HTML | ✓ GitHub |
| ✓ PostgreSQL | ✓ CSS | ✓ Mantis |
| ✓ PL/SQL | ✓ JavaScript | ✓ Batch file (.bat and .sh) |
| ✓ DDL | ✓ JQuery | ✓ Documentation |

- **Assistant Position of Administrative Management (City Hall of São José dos Campos/Brazil) 09/2018 to 12/2021**

Experience as a civil servant in the Purchasing department of the Department of Education and Citizenship, where I conducted analyses of purchasing needs for monthly consumption stock, construction projects, bidding processes, and price registration records. I automated these tasks by developing an application using VBA/Microsoft Excel® to perform the analyses, generate reports, indicators, and control departmental data.

- | | | |
|---------------------------------------|----------------------------|---------------------|
| ✓ Visual Basic for Applications (VBA) | ✓ Microsoft Office Outlook | ✓ Batch file (.bat) |
| | | ✓ Documentation |

- **Self-Employed Entrepreneur 08/2011 to 03/2018**

Experience with development, business rules, requirements gathering, adherence analysis, reports, charts, indicators, deployment, sales, payroll and human resources consulting (Federal tax payment guide and debt declaration guides), financial and accounting plan conversion and migration, commission calculation, barcode-based inventory control and Point of Sale (POS) system.

- | | | |
|---------------------------------------|-------------|-----------------------------|
| ✓ XHarbour (XBase) | ✓ SQLServer | ✓ DQL (Tunning SQL) |
| ✓ Java | ✓ MySQL | ✓ Microsoft Office |
| ✓ Visual Basic for Applications (VBA) | ✓ PL/SQL | ✓ TeamViewer |
| ✓ Oracle DB | ✓ DDL | ✓ Batch file (.bat and .sh) |
| | ✓ DML | ✓ Documentation |

- **Module Leader Team (Newage Software S/A) 04/2001 to 07/2011**

I worked as responsible for the development of Payroll and Human Resources modules, integrated with ERP (SaaS). Work with business rules, legal requirements gathering, adherence analysis, deployments, reports, charts, indicators, sales presentation, level 3 support, technical documentation, documentation for users, and the development of the system update tool.

- | | | |
|-------------------|-----------------------------|---------------------|
| ✓ XHarbour | ✓ MySQL | ✓ HTML |
| ✓ Core-Builder | ✓ Entity-Relationship Model | ✓ CSS |
| ✓ Java | | ✓ Microsoft Office |
| ✓ SaaS Metodology | ✓ DML | ✓ Microsoft Project |
| ✓ Oracle DB | ✓ DQL | ✓ Documentation |
| ✓ SQLServer | ✓ SQL Tunning | |

- **Developer (Humanist Sistemas Ltda) 03/1999 to 03/2001**

Experience with development, business rules, legal requirements gathering, deployments, maintenance, training for users and business partners, sales presentations and support for Payroll, Human Resources and Electronic Time and Attendance System. Involvement in the upgrade of the DBF base system to Relational Databases in refactorings. Contribution to the improvement of the system update tool.

- | | | |
|-------------|--------------------|---------------------|
| ✓ Clipper | ✓ ODBC | ✓ Batch file (.bat) |
| ✓ Fivewin | ✓ DML | ✓ Documentation |
| ✓ Oracle | ✓ DQL | |
| ✓ SQLServer | ✓ Microsoft Office | |

- **Developer (Horus Informática Ltda) 11/1997 to 03/1999**

Experience with development, business rules, gathering legal requirements, implementation, maintenance, reporting, user training, sales presentations and support for Payroll systems.

- | | | |
|---------------|---------------------|-----------------|
| ✓ Clipper 5.1 | ✓ DBU | ✓ Documentation |
| ✓ DBF | ✓ Batch file (.bat) | |

- **Accounting Assistant (Associação Cultural Recreativa e Esportiva Thermas do Vale Ltda) 12/1994 to 11/1996**

Experience as an accounting analyst, payroll calculation, tax collection guide and receipts. Development of systems to support bank reconciliation and sales and partner title maintenance entries, integrating with digital reports of bank settlements.

- | | | |
|----------|---------------------|---------------------|
| ✓ DBase4 | ✓ Clipper Summer 87 | ✓ Batch file (.bat) |
| ✓ FoxPro | ✓ Lotus 123 | |

Languages

- Portuguese - Native (Extensive practice of spelling rules, reading, comprehension, and formal writing)
- Intermediate English (Able to read and write emails and messages and understand sentences with common words)

Development-Specific Knowledge

- | | | |
|---|---------------|--------------------------|
| ✓ Distributed Databases
(MySQL and Cassandra) | ✓ TypeScript | ✓ Cypress |
| ✓ Non-Relational Database
(MongoDB) | ✓ Spring-Boot | ✓ Eclipse IDE |
| ✓ Dataware House | ✓ VueJs | ✓ Visual Studio Code IDE |
| ✓ SQL Server Business
Intelligence Development
Studio | ✓ React | ✓ Azure |
| | ✓ Python | ✓ Jira |
| | ✓ C | ✓ Zendesk |
| | ✓ Postman | ✓ OOP |
| | ✓ JUnit | |

Specific Knowledge Other Areas

- ✓ Applications rule by the Brazilian Consolidation of Labor Laws
- ✓ Bidding
- ✓ Knowledge of school routines

Brazil - São José dos Campos, October 30th, 2023
